Project Grant Details (See Programming Grant Details for Program support)

Project Goals – Provide a description of the goals and objectives of the proposed project, specifically how the project will help integrate people into the game of golf.

Project Details / Schedule – Provide a description of the details of the project including, but not limited to the following: name of designer, size (acres) of project and description of proposed design. Also provide a detailed schedule of the proposed construction. (attach plans if available)

Project Costs – Provide a detailed description of the estimated costs for the projects including all elements associated with the proposed project. The total cost of the project will play an integral role in the determination of the grant value. The *Wadsworth Golf Construction Company* would be available to provide an accurate estimate of the golf course related improvements. (attach documents if necessary)

Project Future – Provide a detailed description and overview of the anticipated annual costs to operate the facility upon completion. Also, very *important*, please provide a detailed description of how these funds will be generated to cover the annual operating costs. (attach documents if necessary)

Programming Grant Details (See Project Grant Details for Project support)

Programming Goals – Provide a description of the goals and objectives of the proposed program, specifically how the programming will help integrate people into the game of golf. Elaborate on the specific type of people that are targeted, if applicable, for the programming (ie. kids, disable, under privileged, veterans, etc.) and explain why they are targeted.

Program Details / Schedule – Provide a description of how the program will be administered, the length of time the program is offered and if multiple years, describe the progression through the program. If the program is existing, provide previous yearly participation statistics.

Program Costs – Provide a detailed description of the costs per individual for the program both what they pay and what it costs to put them through the program. If the program is free for participants or scholarships are available, provide criteria for which scholarships are given.

Programming Future – Provide a detailed description of the future programs and their associated costs to them and the facility.

Current Funding Received - List other private and/or public funding sources for this request.

☐ There are no other funding sources for this request.

<i>Funding Sources</i>	<i>Amount</i>	<i>Date Received / Anticipated Date</i>

Does this grant qualify for matching funds with another organization? ☐ Yes ☐ No

Is this a multi-year grant request? ☐ Yes, for _____ years ☐ No

Note: The Foundation will consider multi-year grant requests but will not necessarily award multi-year funding.

Program/project budget \$ _____ Percent request represents: _____%

The information provided in this application and proposal is furnished in consideration of a proposed grant, and it is intended that it may be relied upon by the Wadsworth Golf Charities Foundation as of this date.

The Wadsworth Golf Charities Foundation is under no obligation to fund this request at this time. By submitting this request, the applicant and the organization agree to disclose information about the grant project as reasonably requested from the Foundation, including a possible pre-grant interview or site visit, as the Foundation considers the grant proposal. Due to the requirements of the Foundation for the due diligence process, failure to provide the requested information may result in rejection of the grant proposal. The applicant will notify the Wadsworth Golf Charities Foundation of any material change in the information provided herein.
